Tutte le piastrelle Mirage sono studiate e prodotte interamente in Italia, elemento che oggi più che mai testimonia la volontà dell'azienda di promuovere la qualità ed i valori dell'autentico **Made in Italy**. Per noi il marchio Made in Italy non è uno slogan, bensì l'espressione di valori forti e reali in termini di **etica lavorativa**, di **responsabilità sociale** e di **rispetto delle persone** al fine di garantire loro le migliori condizioni di lavoro possibili, ma anche trasparenza, attenzione e **responsabilità verso il territorio e la salvaguardia dell'ambiente**. Il marchio Made in Italy è per noi la garanzia di qualità di un prodotto unico, che racchiude in se' tutte le doti di ingegno, creatività e ricerca, di innovazione tecnologica nel rispetto della tradizione ma, allo stesso tempo, della flessibilità di adattare il bello all'utile, l'antico al moderno: un pregio riconosciuto, da sempre, allo stile ed alla ceramica italiana nel mondo.

All Mirage tiles are designed and manufactured exclusively in Italy. Today more than ever before, this is indicative of our desire to place the accent on the renowned quality and value of **Italian-made products**. For us, the Made in Italy trademark is not merely an advertising slogan. It is something that expresses a series of strong, authentic values: **ethics in the workplace**, **social responsibility**, **respect for people** and a commitment to guaranteeing them the best possible working conditions, coupled with transparency and **determination to look after our surroundings and safeguard the environment**. For us, the Made in Italy trademark guarantees a unique, quality product that boasts a series of unbeatable features: inventiveness, creativity, research, technological innovation and at the same time, respect for tradition, along with the ability to match beauty with practicality and the ancient with the modern. This is what Italian style and Italian ceramics have always been admired for the world over.

In Mirage, l'operare con trasparenza nei confronti di tutti gli interlocutori, clienti, fornitori e collaboratori è considerato un valore fondamentale. Proprio per questo, anticipando le legislazioni nazionali ed europee a sostegno di un codice etico ispirato alla trasparenza nel commercio, **Mirage accoglie con impegno l'iniziativa promossa dal Consiglio Direttivo di Confindustria Ceramica** di riportare su prodotto ed imballi le informazioni relative all'origine.

Here at Mirage, we consider transparency as an essential value in our dealings with everyone, from customers and suppliers to staff. This is why, ahead of Italian and European legislation to support a code of ethics inspired by transparency in trade relations, **Mirage is already committed to the project set up by the Executive Board of Confindustria Ceramica** for information on the origin of products to appear on both products themselves and their packaging.
